LETTER FROM THE EDITOR

Welcome to the September Back to School issue for the year of 2019. This is the only issue for the month of September and marks the beginning of my favorite time of the year.

This is also the third annual Back To School Issue. Gracing the cover of this issue is Tracey Jeanne, a fantastic model, and musician located in the state of New Jersey, USA.

Having worked with Tracey several times, I've been able to see her grow leaps and bounds, overcoming so much and succeeding at so much more. Check her photo feature out later in the issue!

Next up are the October issues. My favorite month. We will have the Carnival issue first, followed by Halloween two weeks later.

I am looking forward to seeing what everyone will be submitting for those issues. Get your spooky on!
